

What Philly Phi Sigs Promote ...

- **SISTERHOOD** — We support the lifelong development of our sisters, as well as women's causes.
- **SERVICE** — In addition to raising funds for the National Kidney Foundation, we also share our time and talents assisting many philanthropies in the greater Philadelphia area.
- **LEADERSHIP** — We plan and participate in events that boost skills, confidence and success.
- **SCHOLARSHIP** — We help fund college education for young Phi Sig sisters.

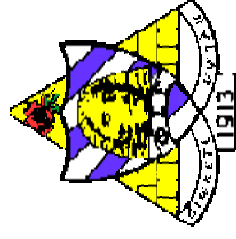

Sisters raise funds for programs that help advance womanhood through personal growth, intellectual development and selfless giving.

Join one of the best Phi Sig Alumnae Chapters around...

Remember all the fun and excitement of being a Phi Sigma Sigma sister? How about the meaningful moments spent lending a helping hand or assisting other women in their journeys through life?

Just because you leave your college years behind doesn't mean it has to end....

We are the sisters of the Phi Sigma Sigma Philadelphia Alumnae Chapter.

Founded on August 4, 1990, our chapter is *one of the oldest, strongest and most successful Phi Sigma Sigma alumnae organizations* in North America!

That's because our members share a deep commitment to sisterhood, service, leadership and scholarship that endures long after their college years are fond memories.

And we're always looking for opportunities to reconnect with

Enjoy Making a Difference!

In addition to helping prepare women to

achieve even

greater success in

their collegiate,

professional and

personal lives,

Philly Phi Sigs

are also actively

involved in their

communities.

We can be found:

- raising thousands of dollars for breast cancer research by walking 60 miles in The Susan G. Komen Breast Cancer Foundation's "3 Day" event
- assisting families in need during the holidays
- donating our time so young patients of The Children's Hospital of Philadelphia can find a reason to smile, and
- making a difference in the world every day!

Lifelong Membership

Are you a Phi Sig who's looking to reconnect and be part of a positive, successful organization? We'd love to hear from you!

You can participate as much as you like. Dues are just \$25 a year. And we focus on having fun while promoting sisterhood and community service!

To attend our next monthly meeting and find out more about us, contact the number below. And, to learn more about us online, log onto our Web site:
